Hello Dancers,

Sveta, Jason, and myself would like to start by saying THANK YOU!!! We realize there are many events out there to choose from, and well, we are very grateful you are giving us the opportunity to show you what we have in store for a great weekend. We have a vision of a FUN, EXCITING, HIGH ENERGY EVENT. Along with an AMAZING pro show and most importantly an amazing level of dancing. So thank you for considering the 2024 Las Vegas Classic as a possible stop on your way to becoming the best dancer you can become!

Come see what Las Vegas is all about. We have the amazing WORLD FAMOUS *Las Vegas Strip* right out our front door here in *Las Vegas, Nevada*. And when you are done with all the fun of dancing, you are just a short walk away from tons of shopping or eating. Vegas is the most surreal and exciting place to come. You can see amazing shows at almost any hotel, eat at some of the most amazing restaurants in the world, or you can try your luck at one of the many casinos on the strip. The best park, its all within walking distance. You are also a short uber ride away from seeing The Original Las Vegas Fremont Street. This was the first paved street in Las Vegas and was built in 1905. It was the ORIGINAL STRIP, it held the first casinos in Las Vegas. This is an historic street that still never sleeps and is a must see as some point.

Please join us at our beautiful venue, Harrah's Las Vegas on May 18th, 2024. So, don't miss out on a great weekend here in Nevada. Reminder, it will be nice and warm with plenty of shopping around or maybe take some time to play one of the many beautiful golf course here. So be sure to keep your Sunday open for some fun around town!!

Live with purpose, passion and love.....

Your organizers,

Eddie Stutts with Sveta and Jason Daly
